

**Wi2 300 Wi-Fi service with
13000+ access points around Japan**

In VenusFort, three-hour free Wi2 300 Guest Service starts on August 15th, 2011. You will be able to enjoy it with almost every handheld Wi-Fi (wireless LAN) enabled device including smart phones.

**STEP
01**

Get a "guest code". Access from QR code below, and send a blank message. E- mail containing the "guest code" will be sent to you.
※When you don't use QR code, please send a blank message to 03H-guest02-E@forguest.wi2.ne.jp

**STEP
02**

Activate the Wi-Fi on your selected device, then select the SSID (wireless network):**Wi2premium.**

**STEP
03**

Activate your internet browser, type your **guest code** on the login screen and **ENTER.**

**STEP
04**

Now! You can use the internet **free for 3hours** in VenusFort.

.....
Wi2 300 is available more than 13000spots all over Japan and it cost only **¥380 per month!** Wi2 300 service makes your **internet** life easier!
